## Earth Tremor Jolts Santa Ana Canyon

YORBA LINDA — A sharp earth tremor jolted the Santa Ana Canyon area around 9 p.m. last Thursday evening, knocking pictures and mirrors off of walls.

Guests at the Yorba Linda Country Club were aware of the tremor as the tables rocked, the glassware tinkled, and chandeliers swayed.

The temblor was recorded on the seismograph at Cal Tech at a magnitude between 2 and 3 on the Richter scale.

## Yorba Linda Board Elects New Officers

YORBA LINDA — John Middleton was elected president of the Yorba Linda Elementary School District Board of Education at a special meeting held last Tuesday evening.

Other officers for the coming year will be Ann Flatten, vice-president; and Paul Armstrong, clerk.

In other action Tuesday the board named Middleton to serve on the nominating committee for the County Committee on School District Reorganization, renewed student accident and non-competitors travel insurance with the CIF, and awarded the custodial bid for next year.

## Cal State Drama Class Prepares For 'Caretaker'

FULLERTON — Harold Pinter's "The Caretaker," a metaphysical mystery which premiered on the London stage in 1959, will be presented July 22-25 by the Summer Theater Workshop at California State College, Fullerton.

Curtain time is 8:30 p.m. in the Arena Theater, and seats may be reserved by telephoning the theater box office, 870-3371, between noon and 4 p.m. on weekdays.

The play marks the directorial debut in a major production of Stephen R. Shapiro, who last month earned his master's degree in theater arts from Cal State and in the fall begins work on his Ph.D. at University of California, Santa Barbara.

A Fullerton resident, Shapiro previously directed Pinter's "The Room" as part of Cal State's one-act play program. He also has directed Noel Coward's "Blithe Spirit" at Gladstone High School, Azusa, where he taught drama during the past year.

Shapiro currently (July 15-18) is appearing as Jacob in "Awake and Sing!" the opening summer production at Cal State. His other acting credits include "Hamlet,"

Charles Redmon Jr. of La Habra, technical director for the California State College, Fullerton production of "Awake and Sing!" discusses lighting with Jim Noack of Whittier, Anne Vardanian and Nancy Backes of Placentia and set designer, Marguerite Vander Hoek of Huntington Beach. The play opens Thursday (July 8) in the Arena Theater. Ticket information is available at theater box office, 870-3371.

## Parks Denied Or Continued At City Council Meeting

PLACENTIA — Proposed parks in optional design tracts did not fare very well at the meeting of the City Council last Tuesday evening with one being denied and the other continued.

A tract submitted by Standard Pacific Corporation for 182 lots and a 4.7 acre park site on 40 acres north of Alta Vista and east of Kraemer Boulevard under the optional design section of the ordinance with 6,000 square foot lots was denied on a 2-2 tie vote

with Mayor Robert Finnell and Councilman Jack Gomez opposing the tract.

Gomez and Finnell both cited the small lots as their reason for opposing the tract. The city already has a dedicated 2.5 acre park site dedicated under a previous tract map in the same area. Both said that there was plenty of land in the area for another park site.

Another optional design tract submitted for the 20 acres north of the Wagner School on Valencia Avenue was continued for more definite information on the size of the lots involved.

A small park along the north end of Wagner School which the city would buy was proposed by the developer. About two-thirds of the lots involved are below the 7,000 square foot minimum.

Councilmen generally expressed themselves as being in favor of the tract but wanted further information before voting.

## Construction Work Begins On Tuffree For Storm Drain Project

PLACENTIA — Construction has begun on the City of Placentia's \$1.3 million storm drain project. According to City

Engineer Jerry Hendricks, construction is now under way in Tuffree Boulevard and is scheduled to be completed between Bastanchury Road and Lake Placentia by August 15. The contractor, Mark Dakovich of Hacienda Heights, is required to maintain local traffic and to restore traffic in the evening after construction operations are complete according to Hendricks.

Although some difficulties are expected due to the great number of utilities in Tuffree Boulevard, every effort will be made to cause the least amount of inconveniences to residents.

The project will relieve long-standing drainage problems in the westerly portion of the City.

## Shop In Placentia Promotion Under Way

PLACENTIA — The commercial division of the Chamber of Commerce has developed the first "Shop In Placentia" promotion scheduled for July 15, 16 and 17, according to President A.S. Bradford.

The event was coordinated by past chairman Norm Kamin and this year's chairman, Raul Lomas and appears in this week's News-Times.

## PUSD Board Cancels Tax Override Election

PLACENTIA — The board of education of the Placentia Unified School District voted Saturday morning to cancel the previously scheduled 35 per cent tax override election which was to have taken place August 3.

Board members felt that there would not be time to conduct a successful campaign for the tax measure and also felt that the 35 cents would probably not be

enough money for more than a year.

In discussion board members were unanimous that they felt a tax rate election during the coming year was almost a necessity, probably for an even larger amount.

In its regular meeting Monday evening the board reviewed the possibility of using a 10 cent permissive override to pay for intrusion and fire alarms for the schools.

The override, which would raise about \$165,000, is on the tax bill now but can be removed at the budget place hearing August 4. The alarms will cost \$125,000 for intrusion and \$100,000 for fire.

## City Council Makes Three Appointments

PLACENTIA — The Placentia City Council appointed Carl Van Gorden and re-appointed Lilly Bircher to the Recreation and Parks Commission and re-appointed William Beggerley to the Planning Commission in action last Tuesday evening.

Van Gorden, 33, is a physical education teacher in the Norwalk-La Mirada School District and has lived in Placentia for six years.

## YL Child Injured By Mail Truck

YORBA LINDA — Samantha Debra Robertson, 4, of 4672 Plumosa Drive, #2, Yorba Linda was injured as she ran in front of a slow moving postal delivery truck in front of her home last week.

Driver Danny Marques, 31, 17865 Bastanchury, Yorba Linda observed several children in the area, and proceeded most cautiously, as he went about his rounds in the apartment complex last Thursday morning. Samantha ran into the front of his vehicle, and suffered head injuries, according to Brea Police reports. She was taken to Martin Luther Hospital by ambulance.

## YL Planners Approve Tract Map

YORBA LINDA — The Planning Commission, at the Monday evening meeting, approved a tentative tract map which will divide 31.4 acres of land into 119 single-family lots on the north-west side of Fairmont Blvd., north of Yorba Linda Blvd., and abutting land owned by the Fullerton Junior College District.

The planned development will be a series of cul-de-sac with only one access entrance from Fairmont Blvd. This in effect makes the entire development a cul-de-sac and this fact caused Commissioner Harold Le Sieur to vote against approval. It was his feeling that in case of fire some of the homes would be inaccessible to fire fighting equipment.

The agenda consisted of one other matter regarding a variance for an enclosed atrium, which was approved by the commission.

Future Planning Commission meetings will be held in the community room of the Yorba Linda District Library.

## YL City Council Conducts Public Hearing On Proposal

YORBA LINDA — A public hearing to establish a maintenance district in the eastern part of the city was continued for two weeks after protests made the outcome of the proposal uncertain in a hearing before the City Council.

Persons protesting the formation of the district, which would maintain slopes and a median strip in an area along Fairmont Boulevard from Yorba Linda Boulevard north, felt that they should not have to pay the full cost of maintaining the slopes which they said would benefit the

entire city.

If more than half of the land area was protested the district will not be formed.

In other action the council approved a tentative tract map submitted by Stephen Bradford for property north of Dorothea Street, denied an urgency ordinance providing for exemption from business license fees for organizations employing youth, set a public hearing on the formation of a city lighting district for August 16, and appointed George Craven to the Traffic Committee.

## Burciaga Is Honored AT LULAC Convention

Frank Burciaga, representing the state of California, was chosen the Junior LULAC Supervisor of the Year for the United States at the recent national convention of the League of United Latin-American Citizens held in Denver.

Burciaga, who is vice president of the Placentia LULAC Council 174 and supervisor of the Placentia Junior LULAC Council 8, had been nominated for the honor at the recent Junior

LULAC state convention held in Paramount.

The honor by the national group was accorded him in absentia as he was unable to leave his work here to attend the national sessions. He will receive a trophy.

The nomination was presented to the national Junior conclave by several members of the Placentia Junior LULACs, who with members of the senior Council attended the joint national conventions held at the adjoining Denver Airport Sheraton Hotel and Ramada Inn.

Juniors attending from Placentia included Marquita Cisneros, past state director of the California Juniors; Vicki Salazar, Placentia's Junior LULAC Sweetheart; Valerie Segovia, Johnny Morillo, Placentia Junior LULAC president; Gloria Romo; David and Robert Rosales and Henry Garcia and from Culver City, Richard Hernandez, present California Junior LULAC state director.

Supervising the group from Placentia were Mr. and Mrs. Alex Segovia and Mr. and Mrs. Fred Aguirre.

Elected national president of the senior LULACs at the Denver sessions was Pete Villa of Indio. Villa became the first president of the national organization ever named outside the state of Texas, where the organization began 42 years ago. His election will have the effect of bringing the group's national headquarters to California during his tenure.

Burciaga has received several honors this year from the LULACs, beside the two Junior LULAC honors, including a special plaque from the Placentia senior group and Man of the Year from the state LULAC's District One. He also was a nominee for the Placentia Jaycees' Distinguished Service Award for 1970.

Mrs. Eileen Bankton, Dorothy Mallory, Sylvie Leach, Viola Thompson, Juane Shepherd and Mrs. Edith Shuer.

## Placentia Will Take Part In Annual Traffic Count

City Engineer Jerry Hendricks has announced that as part of the Country-wide traffic surveillance program, the City of Placentia will participate in the annual traffic count at Yorba Linda and Kraemer Boulevards on July 18 and 19.

Hendricks remarked that the traffic trend at this intersection, which is the busiest intersection in the

City, has shown a continual increase except for 1969 when there was a decrease due to the number of people observing the landing of astronauts on the moon; thereby reducing the number of automobiles on local city streets.

The city engineer's office will be assisted, as in past years, by Placentia teenagers. Any teenagers wishing to assist in this important program are invited to contact the public works department at 528-1146.

The High Sierra back packing trips highlight outdoor living, good fishing, scenic day hikes, swimming, outdoor cooking, camp fires, and recreational games.

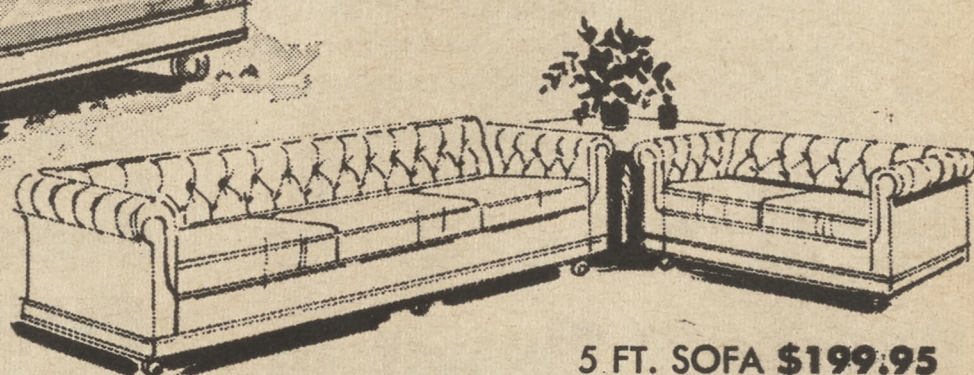

Leader Dave Jensen is a senior physical education major at California State College Fullerton. He has been working in recreation for the past five summers, as a life guard for one year, as assistant director for the Placentia Day Camp for four years, and as Director for High Sierra Back Packing Trips for the past two summers. He has been back packing in the High Sierra for five years, having hiked the entire John Muir Trail, 230 miles, carrying all food and equipment which totaled over 60 pounds. He has completed classes in Survival, Land Navigation and First Aid.

Fee for the first trip is \$38.00. The second trip fees are \$42.00. Transportation, food and insurance for the week-long experience are included in the fee. ## Towles Family Vacation Ends One Week Early

Mrs. William Towles, daughter Lisa and son Vincent, 4782 Hamer Drive, Placentia and guest Tony Renzy, son of Mr. and Mrs. Henry Renzy, 1632 Valencia, Placentia were escorted up to Green Valley Lake in the San Bernadino National forest by Mr. Towles on June 30.

The vacation camp-out, which was planned for two weeks, ended one week later on July 7 and left a lot to be desired. The word is that the children had a great time even though the altitude changed the way the two boys trail bikes ran. Both bikes quickly ran out of both gas and oil.

This became a problem because Green Valley does not have a service station and the nearest station is about ten miles away. Since Mrs. Towles was there with no car at her disposal the boys made the rounds of

residents of the Valley who came to their aid.

To add to the "exciting" time, Mrs. Towles, who professes to be an experienced camper, but not with faulty and broken forestry stoves, had the misfortune, when she was starting to build a wood fire, of having the broken stove fall apart, and hit her in the leg. She literally lay in a hammock the remainder of the vacation.

During this time Mr. Towles would have come back to get them when the accident occurred, but as luck would have it the car broke down after he got back to Placentia, and Yorba Linda Enco (John) is thanked by the family for his perseverance through the 4th of July to put things back together.

All is progressing with a bad leg in the Towles household, but Mrs. Towles states that it's an odd vacation when you have to come home to get a rest.

## Health News . . .

### Whiplash! Threat To The Innocent Repeated

Dr. Donald Brinkley, of the Brinkley Chiropractic Centers, has for some time now warned of the severe consequences of the whiplash injury. Because of his concern, he has hailed a column that appeared in the Arizona Republic by Dr. P. J. Steincrohn.

Dr. Donald Brinkley

"We need more, many more, articles such as the one by Dr. Steincrohn, under the column 'A Doctor's Views' on this serious whiplash problem," stated Dr. Brinkley.

So enthusiastic is Dr. Brinkley about the column that he has chosen to repeat as much of it as space will permit here:

"Whiplash! It deserves an exclamation point. Of all injuries, it is near the head of the list in its lightning-like strike at the innocent.

"When you are driving your car you are at least semi-tense and mentally alert. But when you sit quietly waiting for a light to change, completely relaxed physically and mentally, you are at the mercy of the sudden, sickening jolt from behind which lashes your head backward (or backward and forward) on the top of your spine."

"The result is an acceleration injury. Although it is true that some complications are a convenient and imaginary damage which serves as a basis for litigation, you can be sure that in most instances the innocent sufferer has sustained painful after effects which may last for months or years. (Even though litigation is over and X-rays and other examinations may not uncover

evidence of damage).

"Injury may be caused even in low velocity accidents because the head and neck accelerate with much greater speed and force than the car itself. Studies continue to be made on the causes and management of whiplash (extension - flexion injury to the neck). Even rabbits and monkeys are being used in experiments. These already indicate that microscopic evidence of nervous system hemorrhage in the cervical (neck) spine may occur even when X-rays fail to disclose any major injury."

"In rabbits, investigators found that there was also damage to the middle ear - which may be one reason why, in humans, there are complaints of dizziness, headaches and loss of equilibrium. Other symptoms are blurring of vision, nausea, and of course neck pain, muscular spasm and limitation of neck motion."

"One way to prevent severe injuries is to have specially built carseat extensions to lessen sudden extension - flexion of the neck. But until we do we can only hope and pray that some careless driver doesn't give us a sudden shove from behind and the consequent 'pain in the neck.'"

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

## Petruszelli Wins Junior Race

Pat Petruzelli of 5801, Stradella, Yorba Linda has just returned from a race in Arizona. Pat, 13, has been racing for the last 4 years

and has finished with either the best time or first place, and holds over 200 trophies.

The race was held on July 4 at South Mountain Park,

Phoenix, Arizona. Pat finished the 40 laps of the race tying the record time of 7:09 for that track. He finished first in the race with the fastest time in his class, the light AA class.

This victory qualifies him for the Grand National Race held in Denver, Colorado over the Labor day weekend. This race is the equivalent to the "Indy 500" for the boys in Q.M. racing. These are only the best in the country, and they are all competing for the title, which he won in 1969.

The car that Pat was driving was built by Eugene Reed, and is made out of fiber glass. The engine was built by Ernie Bose, and exceeded 65 mph with 14 horse power behind it.

Pat came to his victory after the tenth lap of the 40-lap race.

## Trojans Lead In Summer Basketball Competition

Leading Placentia Parks and Recreation Department's summer basketball leagues after three weeks of play are the NCAA Trojans, the American League Squires, and a tie for first between the Bucks and the Bullets of the National League.

Each league represents four teams, with five or more boys allowed to play on each team. Games are held on a regular basis at Valencia and Tuffree gyms.

Over 70 boys have enrolled in the elementary program this year. Returning to coordinate the leagues was Valencia High School varsity basketball coach Bob Hamblin.

Topping individual point statistics in their respective leagues were B. Micele, NCAA, 7.3 points per game; Jeff Heller, American, 13 points per game, and Kevin Heenan, National, 23 points per game.

Of special note in the standings is the wild race in the American League, consisting of sixth and seventh grade players. Undeclared after three contests, the Squires hold first. A three way tie exists between the Chapparals, the Pacers, and the Stars for possession of second place.

## Junior Golf Tournament To Be Held

A Junior Golf Tournament for boys and girls ages 11-15, sponsored by the Yorba Linda Recreation Department will be held on Monday, July 26 at the Yorba Linda Country Club.

The deadline for registering is Friday, July 23 at 3 p.m. However, since the tournament is limited, early registration is urged.

Trophies will be awarded to winners in each age group. Each player must furnish his/her own club.

The registration fee for the tournament is \$4 which includes green fees and trophies. Interested persons may register at City Hall at 4845 Main Street, Yorba Linda. For further information, call 524-5000.

## Valencia Basketball Under Way

## Tennis Tournament Will Be Held At ED Courts

El Dorado High School will be the site of this summer's Placentia Parks and Recreation Novice and Adult Tennis Tournament under the direction of Bill Clark.

In the novice group, there will be four age divisions for both boys and girls: 10 and under, 12 and under, 14 and under, and 19 and under. Ages are being based upon the individual's age as of January 1, 1971. Tournament play will begin on Monday, August 3, at the El Dorado courts.

A men's and women's tennis tournament will be played Saturday, August 7, at El Dorado. There will be three divisions for both men and women: 19 to 35, 35 to 50, and 50 and over. A doubles competition will be offered.

Anyone who lives in Placentia, attends Placentia Unified School District schools, or are involved in the recreation tennis program are eligible to participate.

An entry fee of \$1 will be charged. Pre-registration is a must at the Recreation office, 117 North Main Street, before Wednesday July 28 for the Novice division and Tuesday, August 3 for the Adult.

A self-addressed stamped post card must be included when registering. This will be mailed back by the department with the time and court number of your first match.

Awards for both tournaments will be given to first through third place along with a consolation award.

Peter Laborde of Laborde Real Estate, left, and Bert Altmann of Gibraltar Savings and Loan show pictures of the teams they sponsored in the Placentia-Yorba Linda Pony-Colt League this year. Laborde's Cardinals took second in the Pony League to Altmann's Indians. They, along with Heinz Hamburgers, Placentia Car Wash, and D and D Sports were recognized and thanked by league officials for their help in sponsoring teams.

## League Play Ends; Fullerton Takes First

El Dorado #1 finished the first round of the Valencia Summer League last week, nearly upsetting the top two teams.

The number one team lost to first place Fullerton in the final minutes 37-27. According to the Hawk's

coach, the team just fell apart in the final minute. However, Jeff Van Winkle had his best game with 14 points and eight blocked shots.

Second place Valencia met the Hawks on Wednesday and escaped with a 49-47 overtime victory. It was a battle of the big men as Van Winkle and Valencia's Hightower were blocking numerous shots all night.

In the final quarter the game grew close as El Dorado came back and had a five point lead, a lead which switched hands seven times before Bruce Osterstrom tied the game with a 20 foot shot at the buzzer. Valencia finally took the lead in the first overtime to win.

## Giants Victorious In Close Dodger Game

In a sudden death playoff between the two Colt leaders, the Giants and Dodgers (1970 league champions), the Giants squeaked out an unearned run to take the game 6-5. Pitching for the Dodgers was Jeff Ayers.

The Giants put Tom Ricks on the mound, who received the win on the scoring of teammate Jerry Hersom, who had the only hit in the playoff. The Pirates and Cardinals, the other Colt teams, will try harder next season to come up a winner.

Meanwhile the Pony teams entered the final innings with the playoffs between the first half winners against the second half winners. In the National league the Cubs and Cards in a best two of three games saw the Cubs take the win. Dale Hoebel pitched for the Cubs in the first game and Alex La Munyon in the second.

Over in the American League the Indians and the Brewers mixed it up in best two out of three games. Champions for the American League are the Indians with Barney Guy getting the first win and

Brian Stack making the second.

Trophies were presented to each boy on each winning team at the awards day ceremonies July 5. Announcements of the All-Star rosters for each of the divisions were made at that time.

Managers and members of each winning team are as follows: Giants, managed by John Lillard; Blaine Kirby, Pat Walters, Vince Jonte, Dick Steigner, Dave Wilkins, Tom Corbin, Tom Ricks, Doug Daw, Randy Peralta, Doug Paul, Jerry Hersom, Greg Wilkins, Don Garcia and Jim DeWeese.

Cubs, managed by Phil Offenhausser; Tony Bartolotta, Jack Burton, David Enos, Dale Hoebel, Alex LaMunyon, Paul Pierson, Robert Taft, Kevin McCarthy, Barry Smith, Frank King, David Dame and David Flatten.

Indians, managed by Al Morey; Brain Hoyt, John Burg, Mike Standlye, Jeff Winsell, Paul Kirchner, Brent Alumbuagh, Mike Marek, Ken Seeger, Brian Stack, Tony Martin, Randy Gephart, Barney Guy, Tom Sirignano, K.C. Ruppe and Joe Marcelletta.

John Caine, Cal State Fullerton athletic director, left, and Dick Coury, CSF football coach, kick off season ticket sales campaign by signing up Miss Fullerton Pat Babcock.

For the next two weeks Cal State Fullerton's head football coach, Dick Coury, and his staff will be out beating the pavement in an effort aimed at selling season tickets for the upcoming 1971 season.

## ED Frosh In Fourth At Brea

Winning three straight, El Dorado's frosh - soph summer league basketball team has moved up to fourth place in the Brea Summer League.

Last week, El Dorado beat last place Lowell and third place Brea. After losing their first three, the Hawks have begun to play better, and according to substitute coach, Elliott Arnold, are showing great signs of improvement because of their great all round hustle. "Everyone I played on Wednesday did a fine job and gave 110%," stated Almond. The Hawks won by seven but had a 12 point lead with less than a minute to play.

Bob Farra, with Jeff Vizner, Tom Hollister, and Mike Keniepp have made the difference by hitting the boards and outrebounding the other teams.

The Titan season tickets will be sold for \$15 for the five home games. Home opponents include Southern Utah State on September 25 (Santa Ana Bowl), San Fernando Valley State on October 16 (Anaheim Stadium), Cal State Los Angeles on October 29 (Anaheim Stadium), University of California, Riverside on November 6 (Anaheim Stadium), and Grambling College on November 27 (Los Angeles Coliseum).

Concentrating on the central business districts in Fullerton, Anaheim, Santa Ana; and cities adjacent to the CSF campus, Placentia and Yorba Linda, the Titan staff will be aided by Fullerton Mayor, Mr. Jerry Christie, and the recently crowned Miss Fullerton, Pat Babcock.

"Our goal is to sell 3,500 season tickets this year. We hope to get a good start on this goal in these next two weeks," stated Coach Coury.

The Titans also have a 10 minute, 16mm, sound color movie available to service groups throughout Orange County. This movie, "Titan Football 1971," features just what the title indicates. Information on this film may be obtained at the CSF Athletic Department by calling 870-2677.

## Random Shots by Jessie Pound

Every portrait starts with a master pattern. This is recorded on film and is called a negative. The exception is the 'one of a kind' portrait made with a polaroid back on the camera.

All photographs are made from this negative. It is the property of the studio and is kept on file there. We keep all of the negatives we have printed from and all of our wedding negatives on permanent file. The customer usually never sees the negative itself.

What happens to this negative from the time the picture is recorded on it determines the quality of your finished portrait.

Naturally, you get the best photographs when the photographer who takes the picture develops and prints his own work or is in a position to give

direct instruction to the technician who does the developing and printing.

When the photographer sets his exposure or arranges his lights for a special effect, the effect will be lost if the film is not developed and printed properly.

This is what we call custom portraiture and it costs more than 'assembly line' pictures because each photograph is treated individually from photographer to finished portrait.

In 'assembly line' pictures—school packages, supermarket specials, etc.—the photographer usually never sees the finished picture. He uses simple lighting and exactly the same exposure and machines do the developing, printing and packaging of the pictures—usually in a photo lab far from the place they are photographed. They are delivered by still another person or mailed directly.

Portraits made in an established studio may cost you more, but they are well worth it in quality and service.

## Dining Entertainment Guide

Tom Wentworth from the Burger Q is celebrating Shop In Placentia Days, in cooperation with the Chamber of Commerce, with another great Burger Q Special.

With the presentation of the coupon which can be found on the Bradford Avenue Shopping Page, Tom offers a 55c Burger for one cent when the first one is purchased. Tom offers this special after 4 p.m. daily and all day Saturday and Sunday.

The Burger Q prepares food to go, but the indoor patio is comfortably air conditioned, and the tables out in front are a pleasant change from eating in the car. Drive thru service at the Burger Q is quick too, if you are in a hurry.

# Local Couple Returns From Mid-West Trip

Mr. and Mrs. Vern Groth, 113 Santa Rosa Way, Placentia returned to their home on June 27 after a ten day visit with friends and relatives when they flew to Ohio and Michigan.

The visit in Bridgman was especially nostalgic with a picnic with a group the Groth's had played bridge with for 20 years and also a gathering of Sorority friends of Mrs. Groth's, who, even though they live close in the area had not gotten together

## Balduccis Organize Eighth Fourth Of July Parade In Hamer Area

Mr. and Mrs. John Balducci, 4861 Hamer Drive, Placentia, did it again for the eighth year in a row by organizing the annual Kiddie trike, bike, and wagon parade for the children of Hamer Drive and Cartlen Ave.

The day began by having all participating children (which totaled approximately 150) gather at the Balducci home at 10 a.m. for their material of crepe paper and balloons to decorate their bikes. The parade began at 11 a.m.,

headed up by the "Grand Marshall" Russell Stamm, a father of some of the participating children, who helped guide the group on their tour down Hamer Drive and around Cartlen Avenue.

Fourth of July "patriots" in the parade were David Stamm; Paul Bellizzi; and Ken Wilson who was the flag bearer. Concluding the parade event was a treat of

ice cream, provided by the Balducci's.

At 5:30 in the evening the parents and children all gathered together for a pot luck dinner. About 18 families and their friends and relatives enjoyed the meal. Fireworks, which were supplied by a donation from each family were shown at dusk, making it again a safe and happy 4th of July.

Following church services on Sunday, July 18, Plymouth Rock, Mystic Seaport, New York City and the Empire State Building will be viewed. While in New York the attraction is a Broadway show and the United Nations, the Stock Exchange, Federal Reserve Building, Statue of Liberty, Rockefeller Center and Radio City.

Bell, Congress Hall, Betsy Ross House and Pennsylvania Dutch Corner will be seen on July 22.

Other places to be visited are Gettysburg Battlefield, Jamestown, Yorktown, Williamsburg, Richmond, Mt. Vernon, Arlington Cemetery, State Department in Washington, FBI headquarters, Embassy Row, Library of Congress, Supreme Court, Smithsonian Institute, Lincoln Memorial, and White House.

## Local Crafts Classes To Hold Parties

Many innovations have been introduced in the crafts division of the Placentia Parks and Recreation Department. This summer instead of Revial party with all crafts participants gathering at Kraemer Park, each center will have a party of its own.

Attendance at all arts and crafts classes has been so large that it was felt by the department and Mrs. Beulah Carlson, director, that individual parties would be more satisfying.

Each child was asked to bring some cookies for a "cookie tasting" party, and the teachers furnished cold drinks. Special games were played at each center with prizes for the winners.
